SKILLS

- JS|TS(React+Node)
- SQL(MSSQL,PostgreSQL)
- .NET Core
- Git
- Linux
- Secure Programming

LANGUAGE

- English
- Amharic

SUMMARY

Ambitious and results-oriented Full-Stack Developer with a passion for creating secure, high-performance, and scalable applications. Known for writing clean, efficient, and maintainable code while solving complex problems with innovative solutions. Strong analytical thinking, adaptability, and collaboration skills enable effective teamwork in fast-paced, dynamic environments. I thrive on turning complex requirements into practical, user-friendly solutions.

Committed to continuous learning and staying ahead of technology trends, I bring a proactive mindset and attention to detail to every project. I am passionate about delivering high-quality software that drives measurable impact and contributes to the success of the organization.

EXPERIENCE

Full Stack Developer Feb 2025 – Present

INSA - Information Network Security Administration

- Develop secure, high-performance full-stack applications, focusing on system reliability, efficient code design, and seamless integration across platforms. Collaborated with cross-functional teams to enhance security, optimize performance, and deliver scalable solutions aligned with organizational needs.
